The Parish Priest would like to visit all new parishoners – would you be agreeable to such a visit?

Would you be interested in finding out more about an active role within the Parish?

Should you have any more information or would like to offer further details, please use the reverse of this sheet.....

In compliance with the Data Protection Act (1981) all information is kept on a secure computer. All information is available for scrutiny by the individual to whom it relates. St Michaels is registered under the Data Protection Act (1981).
