

## Ashtead Churches' Men's Group

A group of like-minded men from all the Christian churches in Ashtead, who wish to develop friendships and express their common faith beyond attending their various Sunday services.

- ❖ We meet monthly on Saturday mornings over a simple breakfast. We have a diverse programme of speakers and topics to stimulate discussion, expand understanding, and deepen our faith.
- ❖ All ages, backgrounds, shapes and interests are welcome - neighbours and friends, as well as regular churchgoers.
- ❖ We start at 8 am and aim to end at 9.30 to fit in with family life.

Beyond our breakfasts, we seek other opportunities to extend our friendship, pursue our interests, support each other, and live out our faith in the wider community.
